Certification of Eligibility for Provisional License

In order for a learner to get the next level of licensing, the learner and their tutor(s) must certify that at **least 40 hours** of driving has taken place. A tutor must accompany and instruct the learner while the learner is driving any motor vehicle. A tutor must hold a valid motor vehicle driver's license, be 21 years of age or older, and always occupy the seat beside the permittee. All persons must wear seat belts. After the completion of this form, submit it with the learner's application, for a provisional license. You must bring this form when taking the road test and a photocopy of the tutor(s) driver's license.
